

## Sophia Street Community Garden

Corner of Sophia and Michael Streets, Manistee, MI

### 2020 Plot Rental

Sophia Street Community Garden is a volunteer-led program of Manistee Community Kitchen ~ a place where people gather, plant and grow together. We encourage everyone to dig in!

The 4' x 8' raised bed plots are filled with nutrient-rich compost. They can be rented by individuals and organizations for \$30 annually. Gardeners have access to on-site water, asparagus & rhubarb patches, herb garden, compost bins and horticultural support from each other. Gardeners agree to use organic and natural fertilizers and pest control.

Make checks or money orders payable to Manistee Community Kitchen with "Sophia Garden" as the memo. Please complete and return this form with your payment to:

## 2020 Sophia Street Garden Guidelines

1. Gardeners will have their plot planted for the majority of the growing season. Each gardener will maintain (plant, water, weed and harvest) their rented plot(s). If a plot is unkempt, the gardener will be notified about a cleanup plan. If the plot is not cleaned, it will be reassigned or tilled in.
2. Watering hoses and nozzles are provided. When done using the hose, turn off the water at the spigot and wind up the hose on the reel or coil it neatly on the ground. (The mower appreciates your efforts.)
3. We require organic or natural fertilizers and pest control, if needed.
4. Deer, unfortunately, are regular visitors at Sophia. Repellents and barriers will follow Sophia policy and posted guidelines. Assistance is available if needed.
5. The compost bin will be used according to posted guidelines. These are essential for a healthy microbial mix. Finished compost may be used as a nutritious top-dressing in your bed.
6. If a gardener must abandon his/her garden, they will notify Sharron Lemmer, 231-887-7000, sharronlemmer@gmail.com.
7. Gardeners may harvest crops only from their own plots or from the marked common areas.
8. At the end of the growing season, gardeners will clear their own plot and assist with the fall cleanup.
9. Children are welcome in the garden if accompanied by an adult.
10. Pets are welcome if kept on a leash and closely supervised. We do not want any unexpected compost piles in the garden.
11. Any conflicts, cases of vandalism, or problems will be communicated with Sharron Lemmer, 231-887-7000, sharronlemmer@gmail.com.
12. The garden is family friendly. Smoking, drunkenness, swearing, bullying, and intimidation will not be tolerated and may result in loss of privileges.
13. All gardeners agree to the following: "I understand that Manistee Community Kitchen is not responsible for my actions. I therefore agree to hold harmless the MCK, partners, organizations, and sponsors for any liability, damage, loss or claim that occurs in connection with use of the garden by me or any of my guests."
